RE: Republican Party of Virginia  
Identification No. C00001305  
October quarterly report (7/1/94 - 9/30/94)  
12-day pre-election report (10/1/94 - 10/19/94)  
30-day post-election report (10/20/94 - 11/28/94)

Dear Mr. Dodson:

This is in response to your inquiries dated January 18 regarding the above-referenced reports. Since all three letters request essentially the same information, please accept this as our response for all three reports.

Your first inquiry concerns headquarters rent. Please be advised that our committee does not pay rent for its headquarters. The building was purchased in 1978 or 1979 and therefore no rent is due. Our committee does pay all utilities, real estate taxes, and other incidental expenses of ownership. All such expenses have been listed in our various reports and paid with either 100% federal funds or allocated according to the appropriate ballot composition method as an administrative expense.

Your next inquiry concerns "Voter ID Calls" on Schedule B supporting Line 21(b). To the extent that these expenditures were made on behalf of specifically identified federal candidates, the federal candidate has reimbursed our committee for such expenditure. These have been reported on Schedule A supporting Line 15 and have been further identified as being for "Voter ID calls." Where the specifically identified federal candidate has not yet reimbursed our committee for such calls, the amount due has been reported on Schedule D supporting Line 9 and further identified as being for "Voter ID calls."

You also inquire about the GOTV Phone calls on our post-election report. These calls were generic get-out-the-vote phone calls and did not identify any specific federal or state candidate.

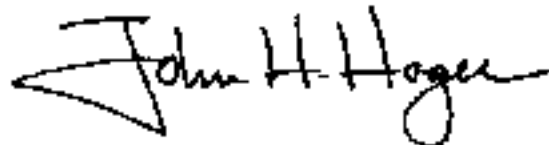

Also, the payment to Horn Badge Co. as reported on Schedule D of our pre-election report was also reported on page 4 of Schedule B supporting Line 21(b) of our pre-election report. A copy of that particular page is enclosed for your further reference.

Your final inquiry asks us to confirm that the amounts listed on Line 21(b) represent a 100% payment, from the federal account, of the total cost of each individual expenditure, and I confirm that it is so. As required by the federal laws and regulations, our committee maintains a federal checking account and all payments for joint expenditures are paid through this federal account. The committee's non-federal account makes periodic transfers to this federal account, as itemized on Schedule H3 of our reports, to reimburse the non-federal share.

Please advise if there is any additional information you need from us concerning these reports.

Very truly yours,

REPUBLICAN PARTY OF VIRGINIA

John H. Hager  
Treasurer
